On Friday, October 25, 2019, our QB, **Jaden Leiby**, suffered a serious neck injury during a championship football game. He has undergone surgery and has continued to receive hospital care. At this time, we would like to send our love and support to Jaden Leiby and his family. The Spartan community recognizes that we are stronger together. The power of NS stands with #6. Let us unite and stay strong.

Below is an opportunity to show our support. 100% of the profits from the products being sold will be donated to the Leiby family. All items will be for sale, starting **Friday, November 1** in the main office of both buildings and also at the football game Friday Night.

If you have any questions, please email: jaden@northschuylkill.net
