Student Assistance Program

The Student Assistance Team is a mandated program in the state of Pennsylvania

A SAP team, made up of school and agency staff, is available to help you access school and community services for your child.

The goal of the SAP team is to help students achieve, remain in school, and advance.

Steps in the **SAP** Process

Referral

- Forms completed by the SAP Community.
- All referrals are secure.
- All referrals made to SAP are confidential.

Team Planning

- Team members and parents work together.
- Determine a supportive and appropriate plan for the student.

Intervention

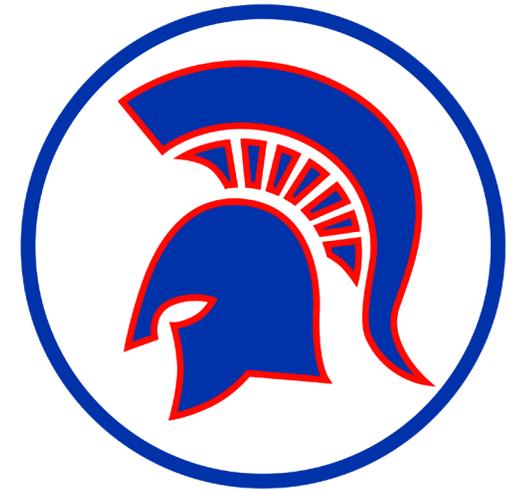

- A plan is developed based on the student strengths.
- The plan is put into action.

Follow-Up

- The SAP team continues to work and support the student and family.
- The team will monitor, mentor, and motivate the student for success.
